Research interests: Collagen based devices, Animal models, Tissue Engineering

Position applied for:

✓	YSF communication and dissemination officer
	YSF industrial liaison officer
	YSF educational officer
	YSF secretary
	YSF national chapters liaison officer

Attendance of past ESB conferences:

2015 Krakow

2017 Athens

Candidate:

Motivation:

It is my belief, that YSF will better serve its purpose if it has a strong online communication with the Biomaterials community throughout the year. I am submitting my candidacy aiming to facilitate this, by devoting time to disseminate the events, views and help YSF gain an online footprint on social media, similar to other scientific communities.

Communication skills: English and Greek

Any other ideas/remarks: *n/a*
